Summer Literacy is NEW literacy program offered to individuals with an intellectual disability age 16 and up who are interested in building their literacy skills. The program focuses on English literacy and selected sessions are devoted to building mathematics literacy skills as well.

This program is an excellent opportunity to build life skills, become engaged and gain a greater sense of independence through literacy. It is also an opportunity to make lasting friendships and meet new people in your community. Our enthusiastic and compassionate instructor and volunteers create an environment of inclusion where everyone feels welcome and respected
